Antigua Vosi FL2410 C Flute

Antigua Winds is proud to announce **Vosi**, a revolutionary new line of instruments specifically designed to meet the demands of first time students. **Vosi** was born from four years of market research and product development, coupled with huge investments in technology and a state of the art new factory. Only the finest materials from Japan, Europe and the United States are used to craft **Vosi** instruments. At Antigua, quality is not just a word, it is our way of life.

All **Vosi** flutes are covered by the Antigua 5 + 1 Year Limited Warranty and protected by a premium French-style case with cover.

Be sure to audition the new **Vosi** flute from Antigua.
